Rule 5.10

not required to permit consideration to continue when a Senate bill day arrives (73 S.J. Reg. 1082 (1993)).

SPECIAL ORDERS

Rule 5.11. (a) Any bill, resolution, or other measure may on any day be made a special order for a future time of the session by an affirmative vote of two-thirds of the members present.

(b) A special order shall be considered at the time for which it is set and considered from day to day until disposed of, unless at the time so fixed there is pending business under a special order, but such pending business may be suspended by a two-thirds vote of all the members present. If a special order is not reached or considered at the time fixed, it shall not lose its place as a special order. All special orders shall be subject to any Joint Rules and Rule 5.10.

(c) Upon the affirmative vote of four-fifths of the members present, a special order may be reset to an earlier time than previously scheduled.

(d) Notwithstanding Subsection (a) of this rule, a bill or resolution relating to voter identification requirements reported favorably from the Committee of the Whole Senate may be set as a special order for a time at least 24 hours after the motion is adopted by a majority of the members of the Senate.

Editorial Notes

A bill once set as a special order does not lose its place on the calendar of special orders if not taken up at the hour for which it is set.

A special order, the hour for the consideration of which has arrived, takes precedence of the unfinished business unless the unfinished business is itself a special order.

Notes of Rulings

A bill being considered as a special order that is laid on the table subject to call is no longer a special order (43 S.J. Reg. 980 (1933)).

Refusal of Senate to set bill as special order for a certain hour does not prevent a motion being made and adopted
